**MEMORANDUM FROM: CHIEF OF NAVAL PERSONNEL**  
**United States Navy**  
**Room 3906 Main Navy Building**  
**Washington 25, D. C.**

1 NOV 1948

**SUBJECT: Assignment of Reserve Personnel**

1. At the request of the Executive Secretary, National Security Council, it is requested that the personnel listed below who are civilian employees of that Council and hold reserve status as indicated in the armed services, be given mobilization assignments to the National Security Council under the same conditions as stated for the Central Intelligence Agency in my memoranda of 3 March and 13 July 1948 on this subject:

Sidney W. Souers

--

Rear Admiral USNR

Lieutenant USNR

Lieutenant USNR

--

25X1

2. As the Central Intelligence Agency has been charged with the administrative support of the National Security Council Secretariat, we will make the reports of change in status for its personnel in the same manner as for CIA personnel.

Signed

R. E. MILLIKEN  
 Rear Admiral, USN  
 Director of Central Intelligence

Copy furnished the Executive Secretary, National Security Council

Note: We have not yet submitted a reserve training unit plan to the Navy. When submitted, we will include NSC personnel.
